# MULTI-GAME

Multi-Game allows you to play your favorite numbers over several consecutive games without waiting in line. Just mark your favorite numbers on a ticket and select the number of consecutive games you wish to play (from 2-20). Your tickets will be tracked and recorded electronically. This same ticket will be played on every one of your games.

### 21 TO 1,000 GAMES

This option allows you to play from 21 to 1,000 consecutive games without being present after you place your bet. Collect your winnings up to one year after your last game. Just mark your favorite numbers, the number of games you want to play, pay for the games in advance and you're off. Patrons must present the winning ticket in person. All tickets are tracked and recorded by our computer. Regulations require that all regular rules be followed unless otherwise posted. Any violations will result in the ticket and/or the winnings being voided.
