Theresa Caputo is from TLC’s hit show, *Long Island Medium*, which follows Theresa’s life as a typical Long Island wife and mom with one very big difference...she can communicate with the dead. Since she cannot “turn off” this gift, messages from departed loved ones can come through at any time, which leads to spontaneous readings with those she encounters. During her appearance at Four Winds New Buffalo, Theresa will share personal stories about her life and explain how her gift works. She will deliver healing messages to audience members and give people comfort knowing their loved ones who passed are still with them, just in a different way. “The Experience” brings Theresa face-to-face with her fans, as she lets the spirit guide her through the audience. A video display ensures everyone in the venue has an up-close-hands-on experience regardless of seat location. “The experience isn’t about believing in mediums. It’s about witnessing something life-changing,” Theresa says. “It’s like *Long Island Medium* live, witnessing first-hand spirit communication.”
