On the heels of his #1 hit, "Put Your Head on My Shoulder" with [Olivia Newton-John](#), music legend and current Tik Tok sensation, [Paul Anka](#) will release his second single, the title track from his forthcoming album, *Making Memories*. The album, with all of the songs penned and performed by this legendary songwriter, is set for release on August 13, 2021, on Green Hill Productions, a subsidiary of Primary Wave Music. Pre-save on *Making Memories* now at: <https://greenhill.lnk.to/PAMakingMemories>. Anka will launch a 22-city North American concert tour, *Anka Sings Sinatra*, beginning October 22 and running through March 2022.

"I've been sitting around all year, like everybody else, and realizing all the memories that I've had of springs and summers of the past few years – and those memories have gotten me through the last year," said Anka about the inspiration behind *Making Memories*. "It's been a time of reflection and reminiscing – with someone or without – about the foundation of the great life you've been blessed with. Plus, how heightened it's been while being with a loved one during this time of being so confined and isolated."

With the release of *Making Memories*, a brand-new collection of reimagined classics and new recordings, Anka is not only excited about this new music but getting back on the road to perform in concert for his fans. This unique and highly anticipated tour will feature Anka paying tribute to his friend, one of the greatest entertainers ever to take the stage: Frank Sinatra.

"The *Anka Sings Sinatra* tour will honor a great artist who has influenced me more than anyone else throughout my career, Frank Sinatra," said Anka. "This show will also feature the hits that have spanned my career on this 65th anniversary year. It will be a night filled with his songs, my songs, my way!"

Speaking of songs, *Making Memories* will not only feature the new, #1 duet with Newton-John, but also a newly reimagined version of his 1957 hit, "You Are My Destiny," which Anka performs with the multi-national classical crossover vocal group Il Divo. On the heels of "My Way's" 50th anniversary, perhaps one of his most

famous self-penned hits, Anka has rerecorded this classic with vocals by Michael Bublé and Andrea Bocelli. In addition to revisiting these classics, *Making Memories* also features all new songs written by Anka.

To this day Anka, who has been called the “Justin Bieber of his time,” continues to inspire and influence many musicians – from Drake to The Weeknd to Michael Bublé to Michael Jackson – all who share respect and admiration for Anka and his music. Approaching his 80th birthday on July 30 with passion, the upcoming North American tour and new music, Anka will always be making new memories.
